## Why can't I set up Amazon Alexa with my robot?

Sara - 2023-08-25 - Amazon Alexa

If you can't set up your robot with Amazon Alexa, please make sure that

- 1. your robot is connected to this app;
- 2. you are able to start your robot via this app;
- 3. the Amazon Alexa app is installed on your phone;
- 4. the correct skill is activated;
- 5. this robot app account and the Alexa Skill have been successfully linked.
